## Narrative

turn in the yard at 5881 Fort Sumter Rd. Suspect then turn right onto daniels then immediately turning left on Brownlow Rd which is a deadend where the vehicle became stuck in the woods. Officers approached the vehicle while the suspect was trying to get it unstuck and officers pulled the passenger/Arrestee (Maranda Jordan) out of the vehicle and took her into custody. While Officer Harrell and myself were trying to get the driver/suspect out of the vehicle and the driver/suspect became aggressive, refusing to get out of the vehicle. Officers delivered closed hand strikes to the driver/suspect's upper body and head till we were able to get the suspect to exit the vehicle and comply. During the altercation and while dealing with the suspect, Officer Campbell, Officer Burnett, and myself were exposed to his blood. Officers had to physically carry the suspect back to the roadway because the suspect still was not complying and during the investigation, the suspect became unconscious. Suspect was given narcan two times along with CPR and Breaths. AMR responded, and after following their policy procedures for approximately 25 minutes, AMR announced the suspect dead. KPD arrived and took over all investigations. A records check revealed the suspect was driving on suspended license and had a warrant out of Knox County (docket #@1278329) for theft. Records also revealed that the Passenger/Arrestee had a warrant out of Monroe Co for VOP for driving on a suspended license (docket #S161426) and a warrant for the U.S Marshall's Office, for manufacturing dangerous drugs (docket#197405231893Z). Officers found 15 used syringes, a scale, and multiple small clear baggies with unknown resin in them. The vehicle was towed to Fountain City Towing. This occurred in Knox County, TN.

## Narrative

On July 27, 2019, at approximately 2140 hours, I, Officer Bradshaw went out with a suspicious vehicle at 1145 Dry Gap Rd (Sterchi Hill Park). As I walked towards the vehicle, the driver/suspect (Jonathan Binkley), took off in the vehicle. Officers pursued the listed vehicle left onto Rifle Range Rd then a right onto Parkdale Dr, then suspect turned left on to Highland Dr, then a left onto pillwood, then a left on Jenkins, followed by a left on Knox Rd, then a right on Cedar Ln. Suspect then made a left onto Rockcrest Rd then a left onto Maple Rd, followed by a right onto Cedar Ln. Suspect then took a left onto North Broadway St. Officers continued pursing the suspect back into the county when the suspect turned right onto Brown Gap Rd, and then a left on Emory Rd and then a left on Highway 33, then a U turn at Andersonville Pk continuing on 33. Suspect then turned left onto Fort Sumter Rd making a U turn in the yard at 5881 Fort Sumter Rd. Suspect then turn right onto Daniels then immediately turning left on Brownlow Rd which is a deadend where the vehicle became stuck in the woods. Officers approached the vehicle while the suspect was trying to get it unstuck and officers pulled the passenger/Arrestee (Maranda Jordan) out of the vehicle and took her into custody. While Officer Harrell and myself were trying to get the driver/suspect out of the vehicle and the driver/suspect became aggressive, refusing to get out of the vehicle. Officers delivered closed hand strikes to the driver/suspect's upper body and head till we were able to get the suspect to exit the vehicle and comply. During the altercation and while dealing with the suspect, Officer Campbell, Officer Burnett, and myself were exposed to his blood. Officers had to physically carry the suspect back to the roadway because the suspect still was not complying and during the investigation, the suspect became unconscious. Suspect was given narcan two times along with CPR and Breaths. AMR responded, and after following their policy procedures for approximately 25 minutes, AMR announced the suspect dead. KPD arrived and took over all investigations. A records check revealed the suspect was driving on suspended license and had a warrant out of Knox County (docket #1278329) for theft. Records also revealed that the Passenger/Arrestee had a warrant out of Monroe Co for VOP for driving on a suspended license (docket #S161426) and a warrant for the U.S Marshall's Office, for manufacturing dangerous drugs (docket#197405231893Z). Officers found 15 used syringes, a scale, and multiple small clear baggies with unknown resin in them. The vehicle was towed to Fountain City Towing. This occurred in Knox County, TN.

Officer Name: C. Harrell Badge: 2588 Unit Number: A-14

Address of Incident: 5030 Brownlow Road

Type of Incident: 10-25

#### Officer Statement

On arrival to the scene where the vehicle came to a stop, I approached the vehicle on the passenger side and assisted Officer Campbell in removing the passenger. Once the passenger had been removed, Officer Campbell took control of the passenger while I entered the vehicle in an attempt to turn it off but was unable to turn the key. After being unable to turn the vehicle off I instructed the suspect to exit the vehicle to the direction of 2 officers attempting to pull him out of the drivers side but he would not. I struck the suspect in the right side of the body while pulling and instructing him to exit and he continued to resist. While continuing to fight and resist officers, I struck the suspect in the right side of the face in attempt to gain compliance due to the vehicle still running and the fear of officers being injured by the vehicle. The suspect then began to comply to a point and again resisted. I was able to dislodge the suspect's leg from under the vehicle as he was removed by officers on the drivers side. I then went around and assist in controlling the suspect.

The passenger was taken into custody without incident and I immediately entered the vehicle on the passenger side in an attempt to turn the vehicle off but was unable. I gave the suspect several verbal commands to exit the vehicle and the suspect refused. I then delivered multiple strikes to the body and side of face in an attempt to gain compliance.
